Dom Perignon 75cl

The expression of the wine is paradoxically less sunny and less extroverted than the season's profile would lead us to imagine. This profound and assured presence that persists on and on is what lingers in the memory of this wine.

Tequila

Jose Cuervo Reserva De La Familia 70cl

Every March Francisco Hajnal, Cuervo's Master Blender, raids (with the family's permission, of course) our private tequila reserves. In the Cuervo cellar he mixes that year's unique blend. We then hand-pour, wax-seal, number and label those few bottles "Reserva de la Familia". If you go to all that trouble you shout about it. So the Mexican artist of the moment gets chosen to design a one-off gift-box, just to make it easier for the lucky few to spot the few bottles of Reserva that are out there. And if you do miss it...there's always next year. Cuervo Reserva de la Familia, gained top position in 'The Ultimate Spirit Challenge 2012' competition, run by Ultimate Beverage Challenge, by receiving the Chairman's Trophy in the Extra Añejo, 100% Agave category. Also, has awarded the Master Medal 2012 in the annual awards, run by The Spirits Business magazine.

Tequila Don Julio is a brand built on a tradition of exploration in the world of tequila, making it one of the most celebrated spirits in history. But behind the brand is the story of one man - a man whose visionary quest for exceptional tequila produced the ultra-premium line of Tequilas that have become legendary in their own. Don Julio Gonzalez dedicated his life to innovating and perfecting every aspect of the tequila making process. He chose rich terrain that grows a sweeter agave plant. He insisted on the hand-harvesting of individual plants as they ripen. He developed and refined fermentation and distillation techniques to accentuate the liquid's flavours. And he aged his tequila in the finest American whisky barrels. When he retired, Don Julio's legacy to the world was the finest tequila ever produced.
